## JANUARY 24, 2009 MINUTES

### To be submitted for approval at February meeting

The Zooland Region AACA met on January 24, 2009 at the Hibachi Grill, hosted by Joe And Shelby Taillon. There were nineteen members present. President, Joe Taillon, called the meeting to order. Hal Leonard, Assistant-Secretary, read the minutes from the previous meeting. They were approved as read. Pat Pugh, Treasurer, read the financial report. The financial report was approved as read. President, Joe Taillon, welcomed new members, Sam and Charlotte Routh.

### Old Business

Dolores Routh has volunteered, and been approved by the executive board, to be 2009 Secretary. Since Richard Savage could not be on the 2009 Board of Directors, the executive committee asked and approved Jack Ferree to serve on the Board of Directors.

President, Joe Taillon, discussed thank you cards and calls received from bike give away recipients.

Ron Johnson volunteered to host the September meeting. Jack Ferree volunteered to host the November meeting.

### New Business

The Zooland Region car show will be August 22, 2009 and the bike give away will be December 12, 2009.

A motion was made to participate in and help with the Asheboro Sunset Street Festival Car Show. The festival will be held May 9, 2009. Motion carried.

Larry Pugh submitted guidelines for judging the non-original vehicles at the Zooland Region shows. Members were asked to review the guidelines and they will be discussed at the next meeting.

Larry Pugh volunteered to be 2009 Zooland Region show chairman. A motion

was made and carried to accept Larry as show chairman.

A motion for the Club to pay Chester Allred's National dues and waive Zooland Region dues was made by Jack Ferree and seconded by Bill Wright. Motion carried.

With no further business, Brenda Leonard made a motion to adjourn. Dolores Routh seconded the motion, motion carried.

Respectfully submitted by Hal Leonard, Assistant Secretary

A Gearhead's Gathering of "Rad" Information with the Renowned Custom Car Builder Troy Trepanier

February 20, 2009 6:00 - 8:00 PM

This event is a celebration of a current special exhibit that features Treasures from the Three Dog Garage. The centerpiece of this collection is AACA Museums "First Love," a custom designed 1936 Ford 3 window coupe that won the prestigious Ridler Award at the Detroit Autorama in 2007. First Love was designed and built by Troy Trepanier at Rad Rides by Troy, a world renowned custom car build shop. Troy and his team at Rad Rides are located in Mateno, Illinois and are known for being a fully integrated and self reliant builder of hot rods, street rods, customs and more!

Rad Rides by Troy is known by many car enthusiasts, especially custom car enthusiasts. Their mission is to build the finest hand-crafted automobiles in the world. We are delighted to host an evening with Mr. Trepanier and to give the community to meet and learn more about this amazing man and his company.

Come spend the evening with Troy Trepanier at The Antique Auto Museum at Hershey

# 100 YEARS AGO! - COMPARE 1908 to 2008 - (1907 FORD - MODEL R)

## The YEAR 1908

Show this to your children and grandchildren

This will boggle your mind, I know it did mine!

The year is 1908.

One hundred years ago.

What a difference a century makes!

Here are some statistics for the Year 1908 :

\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*

The average life expectancy was 47 years.

Only 14 percent of the homes had a bathtub.

Only 8 percent of the homes had a telephone.

There were only 8,000 cars and only 144 miles of paved roads.

The maximum speed limit in most cities was 10 mph.

The tallest structure in the world was the Eiffel Tower!

The average wage in 1908 was 22 cents

per hour.

The average worker made between \$200 and \$400 per year .

A competent accountant could expect to earn \$2000 per year, A dentist \$2,500 per year, a veterinarian between \$1,500 and \$4,000 per year, and a mechanical engineer about \$5,000 per year.

More than 95 percent of all births took place at HOME .

Ninety percent of all doctors had NO COLLEGE EDUCATION!

Instead, they attended so-called medical schools, many of which were condemned in the press AND the government as 'substandard. '

Sugar cost four cents a pound.

Eggs were fourteen cents a dozen.

Coffee was fifteen cents a pound.

Most women only washed their hair once a month, and used Borax or egg yolks for shampoo.

Canada passed a law that prohibited poor people from entering into their country for any reason.

Five leading causes of death were:

1. Pneumonia and influenza
2. Tuberculosis
3. Diarrhea
4. Heart disease
5. Stroke

The American flag had 45 stars.

The population of Las Vegas , Nevada, was only 30!!!!

Crossword puzzles, canned beer, and ice tea hadn't been invented yet.

There was no Mother's Day or Father's Day.

Two out of every 10 adults couldn't read or write.

Only 6 percent of all Americans had graduated from high school.

Marijuana, heroin, and morphine were all available over the counter at the local corner drugstores. Back then pharmacists said, 'Heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and bowels, and is, in fact, a perfect guardian of health.' ( Shocking? DUH! )

Eighteen percent of households had at least one full-time servant or domestic help.

There were about 230 reported murders in the ENTIRE ! U.S.A. !

Now I forwarded this from someone else without typing It myself, and sent it to you and others all over Canada & U.S.A Possibly the world, in a matter of seconds!

Try to imagine what it may be like in another 100 years.

Dear AACA Region/Chapter President:

It has come to our attention that there are errors on the UNPAID MEMBERS CARRIER SHEET provided with the January/February Antique Automobile magazine. Please make note of the following corrections to the MEMBERSHIP RENEWAL, for 2009 MEMBERSHIP YEAR section:

- \* MEMBERSHIP (includes spouse) is \$35.00
- \* STUDENT MEMBERSHIP includes ages 13-25

Please pass this information onto your region/chapter members as we do not have email addresses for all these members.

We apologize for any confusion. If you have any questions or require further clarification, please do not hesitate to call Headquarters, 717-534-1910.

Thank you for your continued support and participation in the Antique Automobile Club of America, the premier resource for the collectible vehicle community!

Best regards,

**AACA Headquarters**

**THANKS TO YOU U.S. CONGRESS REJECTS  
"CASH FOR CLUNKERS" PROGRAM**

In recent weeks, thousands of SEMA members and SEMA Action Network (SAN) enthusiasts responded to a call for action urging lawmakers to reject a Cash for Clunkers program as part of the economic stimulus being drafted in Congress. Your efforts were successful. Both the House and Senate versions of the bill are "clunker-free." Congratulations!

Two proposals were put forth and then withdrawn during the Congressional debate. The first was a \$8 billion program targeting SUVs and pickup trucks of any year that make less than 18 mpg such as Chevy Silverados, Dodge Rams, Ford F-Series and Jeep Wranglers. The second would have provided \$16 billion worth of cash vouchers to individuals making less than \$50,000 a year (\$75,000 for families) who allowed their turned-in cars to be destroyed. A Cash for Clunker proposal may reemerge later this year. SEMA will remain vigilant in educating legislators on the need to oppose programs that do not spur car sales, reduce emissions or raise fuel economy.

The Senate economic stimulus bill includes a SEMA-supported amendment allowing taxpayers to claim a tax deduction for car-loan interest payments and excise taxes when they buy a new car in 2009. If enacted in the final stimulus bill, the provision should provide a healthy boost to auto sales.

Members of Congress recognize that our industry played an important role in scrapping a federal Cash for Clunkers program. SEMA thanks all member companies and SAN enthusiasts who donated their time and effort to contact legislators. Your voice helps protect our industry and hobby.
